DOST-Biosafety Committee Circular
No. 5
Series of 2014

SUBJECT: On Confidential Information of a Project Proposal

All applicants are advised that any information, even if proprietary, that has relevance to biosafety risk assessment, as determined by the DOST-BC, upon consultation with the applicant, shall be made available to the public.

Please be guided accordingly. This forms part of the Philippine Biosafety Guidelines for Contained Use of Genetically Modified Organisms (GMOs).
