DOST-Biosafety Committee Circular
No. 6
Series of 2014

SUBJECT: On Monitoring of Containment and Confinement Facilities

All Institutional Biosafety Committees (IBCs), whether active or inactive, are reminded of their responsibility to monitor and continuously evaluate the implementation of activities related to the use of Genetically Modified Organisms (GMOs) under contained and/or confined test conditions. The IBCs are responsible for continuously evaluating compliance with the terms of approval and reportorial requirements set by the DOST-Biosafety Committee.

Please be guided accordingly. This circular shall form part of the Philippine Biosafety Guidelines for Contained Use of GMOs.
